Meet your Orientation Leaders!

Orientation Leaders (OLs) are student volunteers who support and run the orientation week. They are sources of support and information for new first-year and transfer students. They play a major role in facilitating the adjustment of new students. They share accurate information about academic, personal and social resources while working collaboratively with faculty, professional staff and the Student Council.

They are friendly and helpful so don't be shy to approach them!

The Student Handbook is going green!

This year we will be distributing the 2017 Student Handbook online.

To download, visit our website <http://www.curtin.edu.my/oweeek/index.htm> and click on the icon "Download Student Guide 2017".
