WELCOME TO IEP
TERM 3, 2020
Introduction

• The Intensive English Program (IEP) students at Curtin University Malaysia build practical English skills for general, academic or professional purposes.
• The IEP courses are carefully developed to meet the needs of each student’s unique skillset and goals across all levels of language proficiency, from beginner to advance.
• Courses focus on reading, writing, listening, speaking, and pronunciation all taught by Curtin University lecturers.
• The IEP runs for ten weeks per term, four terms per year. IEP classes are generally scheduled from 9:00am until 2:30 pm
• Students will take the Placement Test before classes begin to gauge students’ level of proficiency.
• We will have Mid-Term assessment in Week 5 to find out students’ progress.
• At the end of each term, students are given another internal exam. The scores on this exam determine whether a student has successfully completed the level, and whether the student may advance to the next level for the following term or in the case of a level 4 student, completing the program.
